

WESTFIELD TOWNSHIP TRUSTEES

Special Meeting/Award Road Bids

April 19, 2012

11:00 am

Trustee Harris opened the regular meeting at 11:00 am.

Trustees present: James Likley, Gary Harris, and Ronald Oiler.

Dan Becker from the County Engineer's office was also present and reviewed the bid tab with the

trustees.

Bid Tab as follows:

BARBICAS CONSTRUCTION CO.	124 Darrow Rd., Akron, Oh	\$144,040.00
KARVO PAVING COMPANY	4524 Hudson Dr., Stow, Oh	\$152,502.50
PCS PAVING	5700 Ashland Rd., Wooster, Oh	\$163,820.00

Dan stated the engineers estimate was \$142,000 and all bids were over, due to the fact the engineers

estimate was 2010 and the prices have gone up. It will be a tight project.

Trustee Oiler: Asked if Barbicas Construction met all the requirements. Dan answered, yes they have.

When the bid is awarded it will go to the prosecutor for review. 4 or 5 years ago Barbicas did a project

laying asphalt over concrete on Debbie Dr. in Medina Township. They did finish the project on time; as

with all projects Dan will be trying to be out on the project at least once a day but Lee will need to be

there overseeing each step and watching the project closely. Lee and Dan will be working together. Dan

will take care of the billing part of the project and some of the inspections. We will want to be around

during critical times such as paving, ditch enclosures and guard rail.

Trustee Likley asked if paying the extra \$8,462.50 would be worth- while. Dan answered, no.

Projected completion date for Lake Road is August 18th, 2012 and Buffham Road project is August 3,

2012.

Dan asked the township to notify schools, fire, garbage, and the sheriff's department of the road closing.

Trustee Oiler made a motion to award Barbicas Construction in the amount of \$144,040.00 for the

Buffham Rd. Improvement project, seconded by Trustee Harris. Roll call: Likley, aye; Oiler, aye;

Harris, aye.

Pre-construction meeting will be within the next two weeks.

Dan hopes to get the contract signed and possibly begin by the end of May.

No other business to come before the board, Trustee Oiler made a motion to adjourn, seconded by

Trustee Harris. Unanimous
