Board of Zoning Appeals Working Session

4/24/2024

Chair McGlashan called the working session to order at 6:35 pm.

Role Call- Greg McGlashan, Andy Thur, Justin Blake, Dale Perkowski, Mike Rinkus

Also in attendance is: Julie Carr, Michael Schmidt, Jack Franz.

The board is gathering to work on creating a new application for use or area variances.

require when applying for an area or use variance. The board reviewed the applications he shared with them. The board reviewed different languages and required information for a new application.

Schmidt shared the Ohio Township Newsletter about the future of zoning.

Thur shared he went to a BZA training on April 1st and shared that he loved the training and suggested the board attend any future offered training.

The board agreed to review other townships applications and see what they would like to include on their application.

McGlashan suggested that the board meet quarterly for a training session or that they stay after a hearing to discuss zoning regulations as an educational session.

The next work session is set for May 30th at 6:30 pm.

Dale makes a motion to adjourn the work session. Thur seconds. All in favor.
